

Pre-Reading and Food-for-Thought Assignment before Session 10 (April, 23)

LAND, AGRICULTURE

- Read Reading Material for the Session 10 (World Agriculture 2015-2030, p.39-44).

Think about:

Is there enough potential cropland for future needs?

Is land becoming scarcer?

Is there enough irrigable land for future needs?

What are the factors that limit the agriculture production?
